**INSPIRATIONS
CLOSE TO YOU**

ONE PFLEIDERER: INSPIRATIONS CLOSE TO YOU – FOR YOUR WORK AND YOUR REQUIREMENTS.

The Pfleiderer brand has reorganised itself. A new, international and powerful brand has emerged from the amalgamation of Pfleiderer Grajewo and Pfleiderer GmbH.

In the course of this process we have been able to harmonise all the production locations, simplify the processes and optimise our product range and services. Thus, you now have access to a range of decors, surface textures and sizes that are identical throughout the world and unique in its breadth and depth.

For you, One Pfleiderer means: a strong partner for high-quality wood-based panels with outstanding decorative surface expertise, customer-oriented service and a consistent focus on sustainability. And last but not least, countless creative and practice-oriented “inspirations close to you”.

119 selected decor and texture combinations in HPL quality to EN 438 are available for your door range at short notice from our stocks. This HPL range lends every door its own unique character. The unique XTreme Matt, SolidColor and SolidColor XTreme versions ensure a special effect. And the best thing is: the colour match with the identical decor melamine faced MDF from the extensive Pfleiderer wood-based panels range ensures you have optimum design leeway with the highest quality.

- As Duropal-HPL in formats 2,150 x 915 / 950 / 1,050 / 1,300 x 0.8 mm, 2,350 x 1,050 and 2,350 x 1,300 x 0.8 mm directly ex stock. HPL format 2,800 x 2,070 x 0.8 mm partly ex stock, otherwise available through the dedicated production programme.
- Individual HPL lengths between 2,050 and 5,300 mm and other HPL thicknesses (including 2.0 mm) are possible on request.
- Available in the variants XTreme Matt, SolidColor and SolidColor XTreme.
- Door decors with microPLUS® integrated hygiene protection can be supplied on request.
- Matching melamine faced decorative panels and HPL flat-bonded elements are available in the DST system, the Pfleiderer decor and texture combination.

**SO THAT YOU CAN WORK
WITH US WITH A
CLEAR CONSCIENCE.**

Sustainable thinking and action is essential for all of our futures. Especially amongst your customers, the awareness of sustainably produced products that are suitable for a healthy living environment is constantly growing.

Pfleiderer pays attention to the absolute sustainability of all the company's activities. On all levels – economic, ecological and social: we not only manufacture our products with the utmost care, but also within the framework of a certified environment management system. In the production process, Pfleiderer pays attention to absolute ecology, e.g. in the formaldehyde-free glued panel LivingBoard, which has been synonymous with sustainable construction for almost four decades.

We also have a special responsibility as an employer: for this reason, a culture of trust focused on autonomous action is fostered in our company. Sustainability from which you benefit – through environmentally friendly products, dedicated employees and maximum satisfaction.
